**AGENDA:**

- **APPLICATIONS** - more detailed table may be found [here](#)
- **NEW FIBER BUILD** also found [here](#)
- **SCHEDULING**
  - Installs per week
  - **PRIORITIES UPDATE**
    - Appleton - 26 Camden Road under the name of Lori Richter (Dr. Aly Goldstein, renter)
    - Appleton - Michael Pagano
- **COMMUNICATION**
  - Application "Self-Tracking" feature
  - Door Hanger
  - Marketing Efforts
    - Marketing ideas - how do we reach everyone? Lawn Signs? Postcards? emails? eventually some mailings. Signs at Town Office and major intersections
- **OTHER/NEW**
- **PRICING/FEES**
  - How long does ConnectME project cost of \$65/mo last? Indefinitely? 2 yrs? Just til jul 2023?
  - How is pricing set up across the towns?
    - All Installs performed between 7/1/21 - 7/1/23 all \$65/mo?
    - Those that were on CARES going to \$69.95 (for how long?)
  - Explanation of \$44.00 phone install fee
  - **What is the (ACP)?**  
[Emergency Broadband Benefit Program - Customer Enrollment Form](#)
- **WEBSITE** - Fiber available search tool

- The existing search on the LCI website that is supposed to tell you what service is available at your address is not up to date.
  - Links to search included in agenda
  - example: I know Howe Hill is “on-net” as I am the last on the line and had fiber installed via CARES in Feb 2021 but when I put in my address or another one on my road it says DSL is available
  - When using the search form you get a pop-up that says “This is not a secure form” - what does this mean? It might scare off some people.
- STATUS SHEET/APPLICATIONS - separate spreadsheet for [Status Sheet/Applications/New Build](#)

**Next meeting** (4th Thursday of month) – Thursday, March 24th
